

Questionnaire on exclusion – Germany, April 2021

<p>1. Some people want to invest in such a way that they do not invest in certain economic activities such as weapons, coal or alcohol for moral, political or religious reasons. Exclusion then means that they do not invest money in shares or bonds of companies engaged in such controversial activities.</p> <p>Is it generally interesting for you in your investment to exclude certain activities (for whatever reason)?</p> <p>- Yes - No</p>	<p><i>Answers No are excluded from the survey</i></p>
<p>2. You want to invest in a way that avoids investment in certain economic activities. Please rate the following statements:</p> <p>- I feel condemned for controversies caused by companies in which I invest. - My moral, religious and ethical values should be reflected in my investments. - Avoiding certain activities improves my financial performance. - When I invest or withdraw my money from a company, I can influence the company's activities.</p> <p>- Strongly disagree - Disagree - Strongly disagree - Undecided - Strongly agree - Agree - Strongly agree</p>	<p><i>Rating for every statement on one page, Randomize the statements order</i></p>
<p>3. How important is it to you to exclude the following environmental activities from your investment? (with a 0% tolerance for company revenues derived from these activities).</p> <p>Note: A 0% revenue tolerance and a high number of selected exclusion criteria can significantly reduce the number of eligible companies in the fund. This may have a negative impact on the financial performance of your investment).</p> <p>- Fossil fuels - Nuclear energy - Palm oil - Genetically modified organisms - Pesticides and biocides - Animal testing</p> <p>- Not at all important - Slightly important - Slightly important, - Neutral, - Somewhat important,</p>	<p><i>Please randomize the questions 3 to 6 with each other and the answering options in between!</i></p> <p>Make A and B test for questions 3 to 6 with and without the sentences marked in yellow!</p> <p>A: positive connotation: no sentence B: negative connotation, with the yellow sentences.</p>

<ul style="list-style-type: none"> - Very important, - Extremely important. 	
<p>4. How important is it to you to exclude the following social activities from your investment? (with a 0% tolerance for company revenues derived from these activities).</p> <p>Note: A 0% revenue tolerance and a high number of selected exclusion criteria can significantly reduce the number of eligible companies in the fund. This may have a negative impact on the financial performance of your investment).</p> <ul style="list-style-type: none"> - Violations of human rights - Labour rights violations - Civilian firearms - Military equipment and services - Controversial weapons (e.g. anti-personnel mines, cluster munitions or uranium munitions) - Not at all important - Slightly important - Slightly important, - Neutral, - Somewhat important, - Very important, - Extremely important. 	<p>Please randomize the questions 3 to 6 with each other and the answering options in between!</p> <p>Make A and B test for questions 3 to 6 with and without the sentences marked in yellow!</p> <p>A: positive connotation: no sentence B: negative connotation, with the yellow sentences.</p>
<p>5. How important is it to you to exclude the following activities from your investment for ethical reasons? (with a 0% tolerance for company revenues derived from these activities).</p> <p>Note: A 0% revenue tolerance and a high number of selected exclusion criteria can significantly reduce the number of eligible companies in the fund. This may have a negative impact on the financial performance of your investment).</p> <ul style="list-style-type: none"> - Tobacco - Alcohol - Pork-based products - Research on human embryos - Gambling - pornography - Abortion - Contraceptives - Violent video games - Cannabis - Not at all important - Slightly important - Slightly important, - Neutral, 	<p>Please randomize the questions 3 to 6 with each other and the answering options in between!</p> <p>Make A and B test for questions 3 to 6 with and without the sentences marked in yellow!</p> <p>A: positive connotation: no sentence B: negative connotation, with the yellow sentences.</p>

<ul style="list-style-type: none"> - Somewhat important, - Very important, - Extremely important. 	
<p>6. How important is it to you to exclude the following corporate governance activities from your investment? (with a 0% tolerance for corporate revenues derived from these activities).</p> <p>Note: A 0% revenue tolerance and a high number of selected exclusion criteria can significantly reduce the number of eligible companies in the fund. This may have a negative impact on the financial performance of your investment).</p> <ul style="list-style-type: none"> - Companies without women in management - Non-disclosure of executive salaries - Controversies in the area of corruption - Tax avoidance strategies and identified violations <ul style="list-style-type: none"> - Not important at all - Slightly important - Slightly important, - Neutral, - Somewhat important, - Very important, - Extremely important. 	<p>Please randomize the questions 3 to 6 with each other and the answering options in between!</p> <p>Make A and B test for questions 3 to 6 with and without the sentences marked in yellow!</p> <p>A: positive connotation: no sentence B: negative connotation, with the yellow sentences.</p>
<p>7. Every product consists of raw materials that are refined, processed, then shipped and sold to the end consumer. This is called the value chain (see graphic). When excluding companies that are directly or indirectly (consultatively) involved in the controversial activities presented earlier, you can define which parts of this value chain you want to exclude. This may vary from topic to topic.</p> <p>For the topics you have marked as important, please select the parts of the value chains you want to exclude.</p> <p>(Graph: Raw material and direct Suppliers (f.e. package material, machines, raw material), Production/ Provider of a controversial product (f.e. manufacturer), Distribution and service providers (f.e. supermarkets, logistics, marketing, consulting)</p>  <pre> graph LR A["Rohstoffe und direkte Zulieferer (z.B. Verpackungsmaterial, Maschinen, Rohstoffe)"] --> B["Produktion/Anbieter der/s kontroversen Produkts/ Dienstleistung (z.B. Hersteller)"] B --> C["Vertrieb und Dienstleistungsanbieter (z.B. Supermärkte, Logistik, Werbung, Beratung)"] </pre>	<p>Please randomize Q8 to Q32</p>
<p>8. The exclusion of fossil fuel companies (coal, oil, gas) is of great importance to you. Which parts of the value chain do you want to exclude?</p>	<p>Please randomize Q8 to Q32</p>

<ul style="list-style-type: none"> - Raw materials and direct suppliers: Companies that extract fossil fuels or are involved in refining them into e.g. petrol, paraffin and coal gasification. - Production/ suppliers: Companies that burn fossil fuels to produce energy, e.g. electricity suppliers. - Distribution and service companies: Companies involved in the distribution and provision of services related to all types of fossil fuels. These can be, for example, operators of oil and gas pipelines or companies that carry out marketing. 	<p><i>If Fossile Brennstoffe in Q3 "Extrem wichtig" oder "Sehr wichtig"</i></p> <p><i>For everyone else skip question</i></p> <p><i>With timekeeping</i></p>
<p>9. The exclusion of companies active in nuclear energy is of great importance to you. Which parts of the value chain do you want to exclude?</p> <ul style="list-style-type: none"> - Raw materials and direct suppliers: Companies that extract uranium. - Production/ suppliers: Companies that operate nuclear reactors to generate electricity through nuclear fission. - Distribution and service companies: Companies that provide material components, technical support, maintenance and nuclear waste management. 	<p><i>Please randomize Q8 to Q32</i></p> <p><i>If Kernenergie in Q3 is "Extrem wichtig" oder "Sehr wichtig"</i></p> <p><i>For everyone else skip question</i></p> <p><i>With timekeeping</i></p>
<p>10. The exclusion of companies active in the palm oil sector is of great importance to you. Which parts of the value chain do you want to exclude?</p> <ul style="list-style-type: none"> - Raw materials and direct suppliers: Companies that grow and produce crude palm oil. - Production/ suppliers: Companies that further process palm oil, e.g. to use it in food and feed. - Distributors and service providers: Companies that distribute food and feed products containing palm oil. 	<p><i>Please randomize Q8 to Q32</i></p> <p><i>If Palmöl in Q3 is "Extrem wichtig" oder "Sehr wichtig"</i></p> <p><i>For everyone else skip question</i></p> <p><i>With timekeeping</i></p>
<p>11. The exclusion of companies active in the field of genetically modified organisms (GMOs) is of great importance to you. Which parts of the value chain do you want to exclude?</p> <ul style="list-style-type: none"> - Raw materials and direct suppliers: Companies that produce genetically modified plants or animals for agricultural use. - Production/ suppliers: Companies that process GMO-based agricultural raw materials into food or feed, e.g. GMO cotton, GMO corn or soy. - Distributors and service providers: Companies that distribute food and feed from genetically modified plants and animals. 	<p><i>Please randomize Q8 to Q32</i></p> <p><i>If Gentechnisch... in Q3 is "Extrem wichtig" oder "Sehr wichtig"</i></p> <p><i>For everyone else skip question</i></p> <p><i>With timekeeping</i></p>

<p>12. the exclusion of companies active in the field of pesticides and biocides is of great importance to you. Which parts of the value chain would you like to exclude?</p> <ul style="list-style-type: none"> - Production/ suppliers: Companies that produce pesticides or biocides with technical active ingredients that are classified as "extremely hazardous" or "highly hazardous" by the World Health Organisation (WHO). - Distribution and service companies: Companies that distribute pesticides or biocides with technical active ingredients that are classified as "extremely hazardous" or "highly hazardous" by the World Health Organisation (WHO). 	<p>Please randomize Q8 to Q32</p> <p>If Pestizide und Biozide in Q3 is "Extrem wichtig" oder "Sehr wichtig"</p> <p>For everyone else skip question</p> <p>With timekeeping</p>
<p>13. The exclusion of companies that work with animal testing is of great importance to you. Which parts of the value chain do you want to exclude?</p> <ul style="list-style-type: none"> - Companies that carry out animal testing for non-pharmaceutical purposes (e.g. cosmetic products) without clearly indicating that this complies with EU standards. - Companies that carry out animal testing for non-pharmaceutical purposes (e.g. cosmetic products) while complying with EU standards. - Companies that carry out animal testing for pharmaceutical purposes, such as for life-saving medicines and therapies. 	<p>Please randomize Q8 to Q32</p> <p>If Tierversuche in Q3 is "Extrem wichtig" oder "Sehr wichtig"</p> <p>For everyone else skip question</p> <p>With timekeeping</p>
<p>14. The exclusion of companies that engage in human rights abuses is of great importance to you. Which parts of the value chain do you want to exclude?</p> <ul style="list-style-type: none"> - Raw materials and direct suppliers: Companies in the supply chain that are involved in human rights violations. - Production/ suppliers: Companies involved in human rights violations within their own production. - Distributors and service providers: Companies that finance the activities and are involved in human rights violations. 	<p>Please randomize Q8 to Q32</p> <p>If Verstöße gegen Menschenrechte in Q3 is "Extrem wichtig" oder "Sehr wichtig"</p> <p>For everyone else skip question</p> <p>With timekeeping</p>
<p>15. The exclusion of companies that commit labour rights violations is of great importance to you. Which parts of the value chain do you want to exclude?</p> <ul style="list-style-type: none"> - Raw materials and direct suppliers: Companies in whose supply chains labour rights violations are committed. - Production/ suppliers: Companies that are involved in labour rights violations within their own production. 	<p>Please randomize Q8 to Q32</p> <p>If Verstöße gegen Arbeitsrechte in Q3 is "Extrem wichtig" oder "Sehr wichtig"</p> <p>For everyone else skip question</p> <p>With timekeeping</p>
<p>16. The exclusion of companies active in the field of civilian firearms is of great importance to you. Which parts of the value chain do you want to exclude?</p>	<p>Please randomize Q8 to Q32</p> <p>If Zivile Schusswaffen in Q3 is "Extrem wichtig" oder "Sehr wichtig"</p>

<p>- Production/ suppliers: Companies that manufacture and service civilian firearms, including assault weapons, automatic firearms, semi-automatic firearms, bolt action weapons, single shot weapons, ammunition or large capacity magazines.</p> <p>- Distribution and service businesses: Companies that distribute civilian firearms, including assault weapons, automatic firearms, semi-automatic firearms, repeating firearms, single-shot weapons, ammunition or large-capacity magazines.</p>	<p><i>For everyone else skip question</i></p> <p><i>With timekeeping</i></p>
<p>17. The exclusion of companies active in military equipment and services is of great importance to you. Which parts of the value chain do you want to exclude?</p> <p>- Production/ suppliers: Companies that produce combat equipment and/or non-combat equipment or provide services in this area. This includes non-combat military vehicles, ammunition and missiles (smoke, flares, practice ammunition), barrelled weapons designed to launch non-destructive ammunition, certain electronic devices, software and simulators, equipment for the production of military equipment and training equipment. In all cases, this equipment must be designed or modified on the basis of military specifications.</p> <p>- Distribution and service companies: Companies that manufacture combat equipment and/or non-combat equipment or provide services related thereto. This includes non-combat military vehicles, ammunition and missiles (smoke rockets, flares, practice ammunition), barrelled weapons for firing non-destructive ammunition, certain electronic devices, software and simulators, equipment for the manufacture of military equipment and training equipment. In all cases, this equipment must be designed or modified on the basis of military specifications.</p>	<p><i>Please randomize Q8 to Q32</i></p> <p><i>If Militärische Ausrüstung und Dienstleistungen in Q3 is "Extrem wichtig" oder "Sehr wichtig"</i></p> <p><i>For everyone else skip question</i></p> <p><i>With timekeeping</i></p>
<p>18. The exclusion of companies active in the field of controversial weapons (e.g. anti-personnel mines, cluster munitions or uranium munitions) is of great importance to you. Which parts of the value chain would you like to exclude?</p> <p>- Production/ suppliers: Companies that are demonstrably involved in the production of controversial weapons and/ or their major components.</p> <p>- Distributors and service providers: Companies that are demonstrably involved in the trade of e.g. anti-personnel mines, biological or chemical weapons or white phosphorus weapons.</p>	<p><i>Please randomize Q8 to Q32</i></p> <p><i>If Kontroverse Waffen und Dienstleistungen in Q3 is "Extrem wichtig" oder "Sehr wichtig"</i></p> <p><i>For everyone else skip question</i></p> <p><i>With timekeeping</i></p>

<p>19. The exclusion of companies operating in the tobacco sector is of great importance to you. Which parts of the value chain do you want to exclude?</p> <ul style="list-style-type: none"> - Raw materials and direct suppliers: Companies that market and promote tobacco products, as well as companies that supply key products such as vending machines, but also tobacco flavours, cigarette filters (acetate tow), tobacco rolling papers, cigarette manufacturing machines, tobacco packaging. - Production/ suppliers: Companies that produce and manufacture tobacco products such as cigars, blunts, cigarettes, e-cigarettes, beedi, kretek, smokeless tobacco, snuff, snus and chewing tobacco. This also includes the processing of raw tobacco leaves. - Distribution and service enterprises: Companies that distribute tobacco products, regardless of the type of tobacco product. 	<p>Please randomize Q8 to Q32</p> <p>If Tabak in Q3 is "Extrem wichtig" oder "Sehr wichtig"</p> <p>For everyone else skip question</p> <p>With timekeeping</p>
<p>20. The exclusion of companies operating in the alcohol sector is of great importance to you. Which parts of the value chain do you want to exclude?</p> <ul style="list-style-type: none"> - Raw materials and direct suppliers: Companies that license, market and promote all types of alcoholic beverages, as well as companies that supply key raw materials and packaging products such as beer bottles and wine corks. - Production/ suppliers: Companies that produce all types of alcoholic beverages, including breweries, distilleries and winemakers, as well as winery operators. - Distributors and service providers: Companies that distribute all types of alcoholic beverages, including liquor shops, supermarkets, bars and restaurants. 	<p>Please randomize Q8 to Q32</p> <p>If Alkohol in Q3 is "Extrem wichtig" oder "Sehr wichtig"</p> <p>For everyone else skip question</p> <p>With timekeeping</p>
<p>21. The exclusion of companies that work with pork-based products is of great importance to you. Which parts of the value chain do you want to exclude?</p> <ul style="list-style-type: none"> - Raw materials and direct suppliers: Companies that produce meat, including butchers and farmers. - Production/ suppliers: Companies that produce and process pork-based products for food and animal feed. - Distributors and service providers: Companies that distribute pork-based products. 	<p>Please randomize Q8 to Q32</p> <p>if Produkte auf Schweinefleischbasis in Q3 is "Extrem wichtig" oder "Sehr wichtig"</p> <p>For everyone else skip question</p> <p>With timekeeping</p>
<p>22. The exclusion of companies involved in research on human embryos is of great importance to you. Which parts of the value chain do you want to exclude?</p>	<p>Please randomize Q8 to Q32</p> <p>If Forschung an menschlichen Embryonen in Q3 is "Extrem wichtig" oder "Sehr wichtig"</p>

<ul style="list-style-type: none"> - Raw materials and direct suppliers: Companies that research and develop stem cell-based therapies (i.e. companies that generate the turnover from these activities). - Production/ suppliers: Companies that conduct stem cell research using human embryonic stem cells, companies that are contracted to conduct stem cell research, and companies that develop or produce technologies specifically for stem cell research. Stem cells are cells that can transform into different types of organ- or tissue-specific cells with specific functions, such as cells specifically for bone, liver, brain, muscle, lung, etc. 	<p><i>For everyone else skip question</i></p> <p><i>With timekeeping</i></p>
<p>23. The exclusion of companies involved in gambling is of great importance to you. Which parts of the value chain do you want to exclude?</p> <ul style="list-style-type: none"> - Commodities and direct suppliers: Companies that sell low-risk gambling items such as lottery tickets, promote the use of money for a game or event, and/or provide key products or services that are fundamental to the operation of gambling. Includes issuers that provide maintenance and services for development of platforms for activities involving gambling (software, gaming machines). - Production/vendors: Companies that operate or manage any activity where money is wagered on a game or event, such as casinos, racetracks, bingo parlours or other betting/gambling facilities (horse, dog or other racing events; lottery operations; online gambling; pari-mutuel betting facilities; bingo; pachislot and pachinko; jai-alai; mobile gambling; and sporting events where betting is possible). - Distribution and service businesses: Companies that provide support and services for and develop platforms for activities involving money betting (software, gaming machines). Also, companies that promote betting on a game or event and/or provide key products or services that are fundamental to gambling, including: products made exclusively for gambling, such as slot machines, roulette wheels or lottery terminals. 	<p><i>Please randomize Q8 to Q32</i></p> <p><i>If Glücksspiel in Q3 is "Extrem wichtig" oder "Sehr wichtig"</i></p> <p><i>For everyone else skip question</i></p> <p><i>With timekeeping</i></p>
<p>24. The exclusion of companies involved in pornography is of great importance to you. Which parts of the value chain do you want to exclude?</p> <ul style="list-style-type: none"> - Production/ providers: Companies that produce explicit videos or images of sexual acts that are explicitly labelled as not accessible to minors. - Distribution and service companies: Companies that distribute explicit videos or images of sexual acts specifically labelled as not accessible to minors. 	<p><i>Please randomize Q8 to Q32</i></p> <p><i>If Pornografie in Q3 is "Extrem wichtig" oder "Sehr wichtig"</i></p> <p><i>For everyone else skip question</i></p> <p><i>With timekeeping</i></p>

<p>25. The exclusion of companies involved in abortion is of great importance to you. Which parts of the value chain do you want to exclude?</p> <ul style="list-style-type: none"> - Health care providers who perform abortions (by their own choice or medically indicated/emergency abortions) and providers or acute care providers (PACP) who have performed abortions or have the capacity to perform abortions, regardless of turnover. - Companies involved in the development or manufacture of abortion drugs intended for use in abortions. - Companies involved in the wholesale and retail distribution of abortifacients intended for abortions. 	<p><i>Please randomize Q8 to Q32</i></p> <p><i>If Abtreibung in Q3 is "Extrem wichtig" oder "Sehr wichtig"</i></p> <p><i>For everyone else skip question</i></p> <p><i>With timekeeping</i></p>
<p>26. The exclusion of companies active in the contraceptives sector is of great importance to you. Which parts of the value chain do you want to exclude?</p> <ul style="list-style-type: none"> - Raw materials and direct suppliers: Companies engaged in marketing and promotion of all types of contraceptives. This includes product branding, packaging and labelling, advertising and public relations, and licensing. - Production/ suppliers: Companies that manufacture all types of contraceptives, including medicines or medical devices for contraception. - Distribution and service companies: Companies that sell all types of contraceptives to retailers and wholesalers. This includes pharmacies and other retail outlets (retailers, hospitals or retail customers). 	<p><i>Please randomize Q8 to Q32</i></p> <p><i>If Verhütungsmittel in Q3 is "Extrem wichtig" oder "Sehr wichtig"</i></p> <p><i>For everyone else skip question</i></p> <p><i>With timekeeping</i></p>
<p>27. The exclusion of companies active in the field of violent video games is of great importance to you. Which parts of the value chain do you want to exclude?</p> <ul style="list-style-type: none"> - Production/ suppliers: Companies that produce video games that glorify violence and focus on the virtual exercise of realistic killing scenarios or other cruel or inhumane acts of violence against humans or human-like creatures. - Distribution and service companies: Companies distribute video games glorifying violence, which focus on the virtual exercise of realistic killing scenarios or other cruel or inhumane acts of violence against humans or human-like living beings. 	<p><i>Please randomize Q8 to Q32</i></p> <p><i>If Gewalthaltige Videospiele in Q3 is "Extrem wichtig" oder "Sehr wichtig"</i></p> <p><i>For everyone else skip question</i></p> <p><i>With timekeeping</i></p>
<p>28. The exclusion of companies active in the cannabis sector is of great importance to you. Which parts of the value chain do you want to exclude?</p> <ul style="list-style-type: none"> - Raw materials and direct suppliers: Companies that produce cannabis for medical and non-medical purposes, including the cultivation of hemp. 	<p><i>Please randomize Q8 to Q32</i></p> <p><i>If Cannabis in Q3 is "Extrem wichtig" oder "Sehr wichtig"</i></p> <p><i>For everyone else skip question</i></p> <p><i>With timekeeping</i></p>

<ul style="list-style-type: none"> - Production/ suppliers: Companies that produce cannabis-based products for medical and non-medical use. - Distribution and service companies: Companies that distribute cannabis-based products for medical and non-medical use. 	
<p>29. The exclusion of companies without women in management is of great importance to you. Which parts of the value chain do you want to exclude?</p> <ul style="list-style-type: none"> - Raw materials and direct suppliers: Companies in the supply chain are screened. - Production/ suppliers: Manufacturing companies will be screened. - Distribution and service companies: Companies that finance the activities are screened. 	<p>Please randomize Q8 to Q32</p> <p><i>If Unternehmen ohne Frauen... in Q3 is "Extrem wichtig" oder "Sehr wichtig"</i></p> <p><i>For everyone else skip question</i></p> <p><i>With timekeeping</i></p>
<p>30. The exclusion of companies that do not disclose executive salaries is of great importance to you. Which parts of the value chain do you want to exclude?</p> <ul style="list-style-type: none"> - Raw materials and direct suppliers: Companies in the supply chain are screened. - Production/ suppliers: Manufacturing companies are screened. - Distribution and service companies: Companies that finance the activities are screened. 	<p>Please randomize Q8 to Q32</p> <p><i>If Nicht-Offenlegung... in Q3 is "Extrem wichtig" oder "Sehr wichtig"</i></p> <p><i>For everyone else skip question</i></p> <p><i>With timekeeping</i></p>
<p>31. Exclusion of companies with controversies in the area of corruption of great importance to you. Which parts of the value chain do you want to exclude?</p> <ul style="list-style-type: none"> - Raw materials and direct suppliers: Companies in the supply chain are screened. - Production/ suppliers: Manufacturing companies are screened. - Distribution and service companies: Companies that finance the activities are screened. 	<p>Please randomize Q8 to Q32</p> <p><i>If Korruption in Q3 is "Extrem wichtig" oder "Sehr wichtig"</i></p> <p><i>For everyone else skip question</i></p> <p><i>With timekeeping</i></p>
<p>32. The exclusion of companies with tax avoidance strategies and identified violations is of great importance to you. Which parts of the value chain do you want to exclude?</p> <ul style="list-style-type: none"> - Raw materials and direct suppliers: Companies in the supply chain are screened. - Production/ suppliers: Manufacturing companies are screened. - Distribution and service companies: Companies that finance the activities are screened. 	<p>Please randomize Q8 to Q32</p> <p><i>If Steuervermeidungsstrategien ... in Q3 is "Extrem wichtig" oder "Sehr wichtig"</i></p> <p><i>For everyone else skip question</i></p> <p><i>With timekeeping</i></p>

<p>33. Many companies are active in different areas. They might derive a certain proportion of their revenue from controversial activities without it being their main business.</p> <p>Please indicate how you would deal with this.</p> <ul style="list-style-type: none"> - Zero tolerance: No income should be derived from controversial activities. - Tolerated to some extent: Income from controversial activities is tolerated up to a level of e.g. 5% of income. - Main line of business: Only companies that have their main line of business in the controversial activity should be excluded. - Different levels: It depends on the issue how strict I want to be. 	
<p>34. The Deutsche Bahn company is active in passenger and freight transport. The passenger fleet is advertised as being powered by 100 % renewable energy. Besides passenger transport, part of their business is to transport armaments such as tanks and weapons. If you exclude weapons from your investments - how do you deal with this company?</p> <ul style="list-style-type: none"> - The company can be included - it does not manufacture weapons and the logistics of armaments is only a small part of its revenue. - The company should not be included - it helps to distribute arms. - I have no opinion on this. 	<p><i>Please randomize the answering options.</i></p> <p><i>Please randomize Q34 to Q36.</i></p>
<p>35. Mayr Melnhof Karton AG produces packaging material for various goods, e.g. pasta, rice or electronics. Part of their turnover comes from cigarette packaging, which is supplied to cigarette manufacturers. If you exclude tobacco from your investments - how do you deal with this company?</p> <ul style="list-style-type: none"> - The company can be included - it does not manufacture tobacco products and the supply material is only part of the revenue. - The company should not be included - it helps distribute tobacco. - I have no opinion on this. 	<p><i>Please randomize the answering options.</i></p>
<p>36. Draegerwerk AG manufactures medical, security and space technology. Some of its products are also used for civil defence by armies and Draegerwerk also sells defence equipment, such as filter technology for military vehicles. This accounts for less than 1% of the company's total sales. If you exclude weapons from your investments - how do you deal with this company?</p> <ul style="list-style-type: none"> - The company can be included - it does not directly produce weapons and the subcontracted material is only a part of the turnover. 	<p><i>Please randomize the answering options.</i></p>

<ul style="list-style-type: none"> - The company should not be included - it helps to produce arms. - I have no opinion on this. 	
<p>37. With which gender do you identify most?</p> <ul style="list-style-type: none"> - Male - Female - Other 	
<p>38. In which year were you born?</p> <p>Numerical input (YYYY)</p>	
<p>39. What is your highest educational qualification?</p> <ul style="list-style-type: none"> - No school-leaving qualification - High school diploma - Apprenticeship - Bachelor's degree - Master's degree - Doctorate - Other professional qualification (with additional free text field) - Not specified 	
<p>40. Do you currently have direct or indirect financial investments such as investment funds, shares, life insurance, etc.?</p> <ul style="list-style-type: none"> - Yes - No 	
<p>41. Please rate the statement:</p> <p>My knowledge of finance and investment is good.</p> <ul style="list-style-type: none"> - Do not agree at all - Strongly disagree - Disagree rather strongly - Undecided - Strongly agree - Agree - Strongly agree 	
<p>42. Which party would you vote for if federal elections were held next week?</p> <ul style="list-style-type: none"> - CDU/ CSU - SPD - FDP - B90/ Die Grünen - Die Linke - AfD - None of the parties mentioned
